6. **Unregistered Anglers:** Unregistered anglers will be allowed to fish on the reservoir during the tournament. However, unregistered anglers in your party may jeopardize the validity of fish caught by contestants. CONTESTANTS (INCLUDING YOUTH) MUST CATCH THEIR OWN FISH.
7. **Fishing Rules/ Limits:** Only two fish can be measured per contestant. All fishing contestants must be in line at the Stagecoach Marina measuring table line by 3:15 PM. TROUT MEASURING A MINIMUM OF 15" IN LENGTH and all Northern Pike are eligible to be measured for prizes. All Colorado Division of Parks & Wildlife fishing rules apply including the trout daily bag limit (4). Specific to the tournament, once an angler adds their fourth trout to their daily bag limit they MUST stop fishing for the day. This is being done to reduce the environmental impact of the tournament on the trout population of the reservoir. Please practice "catch and release" whenever possible for trout not used in the tournament. Additionally, Parks and Wildlife Managers are implementing mandatory harvest of Northern Pike, Walleye and Small Mouth Bass during this tournament. Information gathered from collection of these species will be useful in future management practices at Stagecoach. Release of these species during the tournament will result in disqualification.
 - a. **Optional Pike Category:** For an additional \$20 buy-in, you may participate in the optional Pike Category. This pot will be awarded to the angler(s) that turns in the biggest individual pike by length. The tie-breaker, specific to the pike category, will be determined by the individual in the tie that turns in the most pike. If both or all parties in tie-breaker catch the same number, the pot will be split evenly.
8. **Judging:** Fish will be judged on length to the nearest 1/8 inch. Contestants may turn in TWO (2) Trout only. Contestants will be required to bring fish to the Measuring Table located in the marina parking lot for measurement. All fish should be

unfrozen for measurement. At time of measuring the fish will have a fin cut to show the fish has been entered into the fishing tournament. The tiebreaker will be determined by the longest single fish associated with the tie situation.

9. **Adult Division Prizes:** After \$1,000 Administrative cost, 75% of remaining registration money is paid out as follows. 25% of registration fees will be donated to The Friends of Stagecoach State Park!
